Dear Randy,

Thank you for your presentation Monday April 24 at Calais High School. The message was pertinent for all of our school community. The respect our students demonstrated during the last 5 minutes when school would usually be dismissed was a testament to your ability to "hold" an audience.

The "nochtspiel" (after party) with your tutelage of Zack Schiller was enjoyable to all who were in the audience. Thanks for sharing your mega-talents with him.

Sincerely,

Jeanne B. Bishop
Principal
