Dare to be Odd!

~ Standing Out From The Crowd Since 1998 ~

October 19, 2005

Dear Randy & Gang,

I wanted to drop you a line to thank you for your outstanding performances here at the Oddfellow Theater last month. You left all of us exhausted from laughter and wiping away tears of pure joy.

The Maine Hysterical Society is the quintessential comedy act about Maine. Whether you are singing hilarious songs, doing amazing juggling, bowling us over with your verbal wit or keeping us riveted with your silent comedy, your show truly has it all.

Our audience was immediately asking when you would be returning so they could bring their friends. My hope is that we can make this a tradition and bring you back each year.

Thanks again for the amazing shows, I look forward to the next time.

Sincerely,

Michael R. Miclou
