Scott -

I wanted to drop you a line and personally thank you for all of the support you have given SLAM over the last couple of years. You have given us tremendous exposure at your events and you run a first class operation in which I look forward to working with in the future.

It has been a pleasure working with you and 207 Entertainment and if there is anything that I can do to help keep the ball rolling please let me know.

All the best,
